

Don't Let Subcontractor COIs Slow You Down

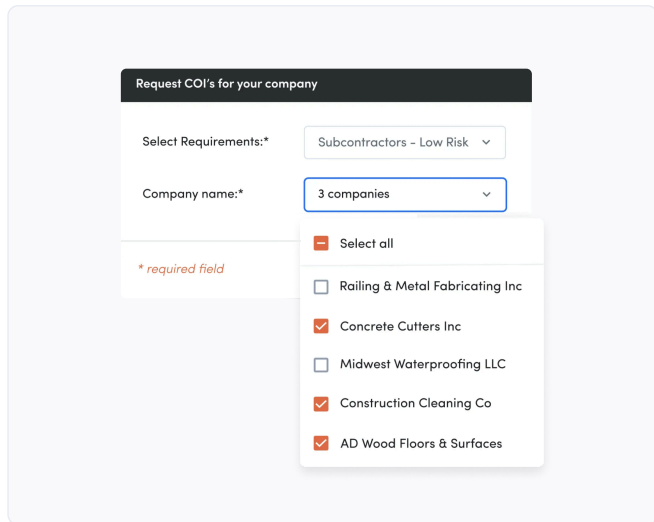

Faster, more efficient insurance compliance to power up your Procore account. Prevent claims, derisk projects, and save time.

[Talk to an Expert](#)

- Reduce Risk**
 99.73% audit accuracy that gives you actionable insights into compliance across properties.
- Save Time**
 We'll help collect, audit, and resolve gaps for your tenant and vendor COIs so that you don't have to.
- Centralize Your Workflow**
 Enrich your Procore account with accurate subcontractor compliance data.

Fully Integrated

Accomplish Every Essential Compliance Task Directly Within Procore

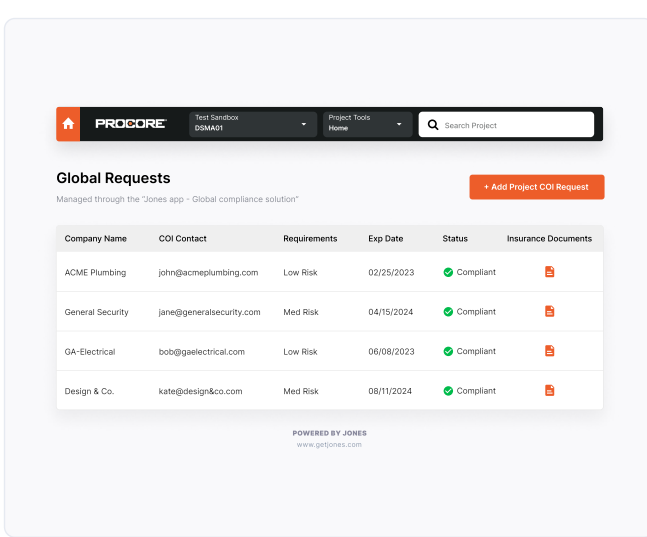

Enable users to do the following essential tasks directly within Procore:

- ✓ Create new projects
- ✓ Send COI requests to subcontractors
- ✓ Upload and view subcontractor insurance docs
- ✓ View subcontractor compliance statuses
- ✓ Monitor COI expiration dates

Track insurance at the Project or Company level in Procore

- ✓ Request one "global" certificate for each subcontractor, or request certificates for every project, whichever your business requires.
- ✓ Simplify renewals across all projects in Procore
- ✓ Avoid redundant communication with subcontractors.
- ✓ Ensure project managers, accounting, and risk teams can collaborate using the same fresh data.

Trusted by 300+ industry leaders

Built for Teams

Empower Every Department That Depends On Insurance Compliance

<p>Risk and Compliance Managers</p> <p>Uncover hidden risks, resolve gaps in coverage, and increase compliance levels across projects.</p>	<p>Contract Admins</p> <p>Enable subcontractors to use one initial set of insurance documents for projects across your entire company.</p>
<p>Accounting</p> <p>Easily and automatically block payments to subcontractors who are not compliant.</p>	<p>Project Managers</p> <p>Simplify the entire COI collection process with full visibility at all times.</p>
<p>Tech / IT Teams</p> <p>Easy to set up, minimal lift required. We'll ask your team to download our app from the marketplace and do a brief configuration.</p>	

Success Stories

"I recommend Jones for ease of use and the efficiency gains that we've experienced by switching from a more manual process to something that really starts and ends in Procore..."

Dana Erdman
 Director of Technology & Innovation, Bulley & Andrews

Process

Reduce Risk. Improve Every Step Of Compliance.

A smarter, automated workflow that reduces risk while keeping your compliance.

[Talk to an Expert](#)

- Step 1**
Frictionless collection of subcontractor insurance documents via no log-in links.
- Step 2**
Precision two-phase audit process, powered by risk specialists and OCR technology.
- Step 3**
Automated resolution of gaps and proactive auto-renewal emails.
